WHY CENTRO II?

- > **Compact Size** – Takes up less space and fits almost anywhere.
- > **Durability** – Box is made from PVC.
- > **Easy Installation** – Knockout drain caps are removed effortlessly.
- > **Flexibility** – Boxes are available with installed or uninstalled valves, giving you the choice of mounting options.
- > **Variety** – Boxes are available in various tail piece configurations, giving you the specific product your customers need, including Water Hammer Arrestor SKUs.

See reverse side for product and part number information.
