SOUTHWIRE

Premium Outdoor Extension Cords

Premium TPE Polar/Solar® cords, made with Southwire's exclusive T*Prene® insulation, stay flexible under the most extreme temperatures. Highly abrasion resistant and provide outstanding oil and chemical resistance.

- Power indicator light in the female receptacle to show that the power is on
- Reinforced blades help prevent accidental bending or breaking
- Heavy duty strain relief protects electrical connections resulting in longer cord life

Mfg Part#	Gauge	Wire Type	Color	125V Rating	Length

SOUTHWIRE

Replacement Plugs & Connectors

All jobsites require rugged, safe replacement wiring devices when the need arises. Safety issues lead to a heavier-duty design able to withstand harsh jobsite conditions. Construction-grade devices have tough, vinyl or nylon housing with many built-in features for speed, safety and assembly convenience. 15A and 50A models address a wide range of customer needs, including locking jobsite power distribution applications.

- California-Style 50 Amp devices for jobsite power distribution cord repair and replacement.
- Standard replacement cord ends for extension cord and tool repair.

SOUTHWIRE

Stripping
Solid & Stranded Wire Stripper

Ergonomically curved handles on these specially designed stainless steel wire strippers have precision-ground cutting blades that allow for fast and easy stripping for 10-18 AWG solid wire.

- Specially designed stainless steel cutting blades provide fast and clean wire stripping
- Not designed for cutting steel wire
- Shears 8-32 and 6-32 screws
- Precision shear type cutting blades for easier cutting

Mfg Part#
S1018SOL

SOUTHWIRE

Stripping
6" Compact Wire Stripper

Compact handles on these specially designed stainless steel wire strippers have precision-ground cutting blades that allow for fast and easy stripping for 10-18 AWG solid wire.

- Specially designed stainless steel cutting blades provide fast and easy stripping
- Serrated nose holds cable for easy twisting and pulling
- Spring loaded for self-opening action
- Not intended for cutting bolts or steel cable

Mfg Part#
S1018STR

SOUTHWIRE

Stripping
Compact Stranded Wire Stripper

Compact handles on these specially designed stainless steel wire strippers have precision-ground cutting blades that allow for fast and easy stripping for 16-28 AWG stranded wire.

- Specially designed stainless steel cutting blades provide fast and clean wire stripping
- Strips, cuts, and loops 16-26 AWG stranded cable
- Spring loaded for self-opening action
- Not intended for cutting bolts or steel cable

Mfg Part#
S1626STR

SOUTHWIRE

Seatek
Super Roto-Split

Quick clamping requires no adjustments after initial setting. Features a self-tightening blade system and ergonomic crank handle with offset for maximum hand clearance and safe operation. Blade storage cartridge in knob with storage for up to 6 blades. Die cast epoxy enameled body for durability and an assured long life.

- RS-101A requires no adjustment after initial setting - quick clamp lever does it all
- This field proven quality cutter accepts BX cable from 14/2 to 8/4 and 3/8" Flex as well as AC, MC & HCF cables
- Self-tightening blade system and ergonomic crank handle with offset for maximum hand clearance
- Blade storage cartridge in knob with storage for 6 blades
- Die cast epoxy-enameled body 100% made in America

Mfg Part#
RS-101A

SOUTHWIRE

Stripping
4-10 AWG SOL & 6-12 AWG STR
Ergonomic Handles
Wire Stripper/Cutter

These wire strippers will work on both solid and stranded wire. The stainless steel construction makes these tools a fan favorite.

- Specially designed stainless steel cutting blades provide fast and clean wire stripping.
- Strips, cuts, and loops 16-26 AWG stranded cable.
- Shears 8-32 and 6-32 screws.
- Not intended for cutting bolts or steel cable.

Mfg Part#
S612STR

SOUTHWIRE

Stripping
8-22 AWG SOL & 10-24 AWG
STR Automatic Wire Stripper

The SA822 make stripping 8-22 AWG wire quick and easy. The jaws will grip and strip wire with a single squeeze of the handles before returning to the open position.

- Removes up to 1" of jacket layer with single step.
- Spring design returns wire to ready position after stripping.

Mfg Part#
SA822

SOUTHWIRE

Stripping

12-14 AWG Ergonomic Handles NM Cable Wire Stripper/Cutter

Our Romex™ cable strippers are designed to work with NM-B cable. These durable stainless steel wire strippers/cutters make removing the outer jacket quick and easy. With specifically designed cutting blades and soft double-dipped grips provide for a comfortable, long lasting tool.

- Specifically designed stainless steel cutting blades provide fast and clean wire stripping.
- Shears 8-32 and 6-32 screws.
- Strips, cuts and loops 10 and 12 AWG solid wire.
- Serrated nose grasps the cable for easy twisting and pulling.

Mfg Part#
SNM1214

SOUTHWIRE

Stripping

6-in-1 Multi-Purpose Stripper

These wire strippers will work on both solid and stranded wire. The stainless steel construction makes these tools a fan favorite.

- Shears and rethreads 10-24, 10-32, 8-32, 6-32, and 4-40 screws.
- Cuts bolts, strips #10-22 AWG Wire

Mfg Part#
MP61

SOUTHWIRE

Stripping

Long-Nose Multi-Purpose Stripper/Crimper Tool

These wire strippers will work on both solid and stranded wire. The stainless steel construction makes these tools a fan favorite.

- Long nose design for forming and looping wire and handling small parts.
- Shears 10-24, 10-32, 8-32, 6-32, 5-40, and 4-40 screws

Mfg Part#
MPLN

SOUTHWIRE

Pliers

9" High-Leverage Side Cutting Pliers w/ Dipped Handles

Made from drop forged steel these durable high-leverage side cutting pliers are built for work. The plastic dipped handles provide a solid feel and the case hardened cutting blades cut wire and cable with ease. Knurled jaws provide the gripping strength you need and expect.

- Induction hardened cutting blades ensure efficient and lasting cutting surfaces for hard and soft wire.
- File teeth on jaws help remove burrs in conduit.
- Cuts ACSR, Screws, nails, and most hardened wire.
- Drop forged 6150 alloy steel for durability.

Mfg Part#
SCP9D

SOUTHWIRE

Pliers

8" High-Leverage Diagonal Cutting Pliers w/ Dipped Handles

These 8" diagonal cutting pliers feature a dual material double molded grip. With drop forged construction and a strong high leverage, hot-riveted pivot joint, these pliers offer smooth action, no handle wobble and excellent cutting power.

- Induction hardened cutting blades ensure efficient and lasting cutting surfaces for hard and soft wire.
- Drop forged 6150 alloy steel for long lasting durability and performance.
- High-leverage design provides maximum cutting power.
- Hot riveted pivot joint for smooth action and no wobble.
- Effectively cuts most hardened wire, ACSR, bolts, screws, and nails.

Mfg Part#
DCP8D

SOUTHWIRE

Pliers

9" Terminal Crimper/Cutter w/ Dipped Handles

These crimping/cutting tools are designed to crimp a variety of insulated and non insulated solderless terminals and connectors. The tapered nose features an anvil and blade designed wire cutter for clean cuts.

- 10-22 AWG solderless terminals and connectors.
- Crimps insulated and non-insulated terminals and connectors.
- Specially-hardened wire cutter in nose.
- Tapered nose for working in confined spaces.

Mfg Part#
TCC9D

SOUTHWIRE

Pliers

8" Angled Head High-Leverage Diagonal Cutting Pliers w/ Dipped Handles

These 8" diagonal cutting pliers feature a dual material double molded grip. With drop forged construction and a strong high leverage, hot-riveted pivot joint, these pliers offer smooth action, no handle wobble and excellent cutting power.

- Induction hardened cutting blades ensure efficient and lasting cutting surfaces for hard and soft wire.
- Drop forged 6150 alloy steel for long lasting durability and performance.
- High-leverage design provides maximum cutting power.
- Hot riveted pivot joint for smooth action and no wobble.
- Effectively cuts most hardened wire, ACSR, bolts, screws, and nails.

Mfg Part#
DCPA8D

SOUTHWIRE

Pliers

5-in-1 Multi-Tool Pliers

Thanks to steel construction, these multi tool pliers are incredibly durable. These pliers combine the features of several tools in one compact design.

- Multi-functional pliers: grips, strips, crimps, reams, and cuts.
- Comfortable grips help reduce hand wear and fatigue.
- Durable forged construction for lasting performance.
- Easily strips 10 to 14 AWG solid wire.
- Crimps common sizes wire ferrules.

Mfg Part#
S5N1

SOUTHWIRE

Cable Cutting

Ratcheting Cable Cutters 750 CU/ 1000 AL w/ Comfort Grip Handles

Hardened steel blades ensure consistent cuts and long-term durability, while the rounded blade design minimizes cable distortion during cutting.

- Replaceable hardened steel-cutting blades provide long lasting cutting of copper and aluminum wire.
- Cuts up to 750kcmil copper and 1000kcmil aluminum cables.
- Two-step ratcheting mechanism for fewer strokes per cut.
- Quick-release lever opens blade at anytime during operation.
- Molded grip for stability and leverage when making cuts.

Mfg Part#
CCPR400

SOUTHWIRE

Cable Cutting

9" High-Leverage Cable Cutters w/ Dipped Handles

With a high-leverage, hot-riveted pivot point, these cable cutters provide excellent one handed cutting. Designed to cut up to 2/0 copper and 4/0 AWG aluminum cables.

- Heat treated, precision ground blades ensure clean cuts.
- Comfortable cushion grips reduce hand fatigue.
- Beveled tips for positive mating.
- Drop forged 6150 steel with black-oxide finish for long life.

Mfg Part#
CCP9D

SOUTHWIRE

Conduit Bending & Accessories

Aluminum Head 1/2" Conduit Bender w/ Handle

Reliably and repeatedly performs common bends, such as stub-ups, offsets, back-to-back and saddle bends.

- Raised and highly visible bender markings are cast on both sides of the bender head.
- Cast aluminum head is built to provide lasting durability and extra strength.
- Grooved hook prevents conduit from slipping, twisting or rolling when performing bends.
- Large serrated step provides greater control and helps prevent slippage when applying force.
- Swaged steel handle permits insertion of conduit to correct overbends.

Mfg Part#
MCB1/2

SOUTHWIRE

Conduit Bending & Accessories

Aluminum Head 3/4" Conduit Bender w/ Handle

Reliably and repeatedly performs common bends, such as stub-ups, offsets, back-to-back and saddle bends.

- Raised and highly visible bender markings are cast on both sides of the bender head.
- Cast aluminum head is built to provide lasting durability and extra strength.
- Grooved hook prevents conduit from slipping, twisting or rolling when performing bends.
- Large serrated step provides greater control and helps prevent slippage when applying force.
- Swaged steel handle permits insertion of conduit to correct overbends.

Saws & Cutting
Electrician's Scissors

Unlike regular scissors or shears, the serrated blades of this powerful scissor keeps wire from slipping out of the jaws, making cutting through hardware cloth, cable, wire netting, and other difficult-to-cut materials becomes an easy task.

- Strips 19 AWG & 23 AWG
- Strong, tempered steel
- Nickel-plated finish resists corrosion
- Scraper and file on outside of both blades

Mfg Part#	Pk
ES001	5
ESS-1	24

SOUTHWIRE

Saws & Cutting
BX/MC Rotary Cutter
w/ Lever

Quickly splits the armored jacket on #10, 12, and 14 armored cables and 3/8" flexible conduit. Easily handles all common BX, MC and Flex cables. Securely holds cables in place and releases quickly.

- Adjustable cutting depth for standard and reduce diameter BX/MC cables.
- Stores up to 6 blades in handle knob.
- Durable die cast epoxy enameled construction.
- Less hazardous than traditional MC cable cutting methods.
- Replacement blades are available: Item #MCBLADE

Mfg Part#
MCCUT

SOUTHWIRE

Saws & Cutting
Drywall Jab Saw

Our drywall jab saw is designed to cut drywall more efficiently. The sharp tip excels at plunge cutting, and its aggressive tooth design cuts fast.

- Sharp cross-ground teeth cut through drywall, wood or plastic.
- Over-moulded cushion handle for comfort and firm grip.
- 7" blade with cross-grained teeth allows drywall to be cut in both directions.
- Sharpened tip easily plunges through drywall.

Mfg Part#
DESAW

SOUTHWIRE

Cable Pulling
1/8" 240' Flat Steel Fish Tape

Our 1/8"-wide tempered spring steel fish tapes provide excellent fishing performance. The rugged case is impact resistant and jobsite tough.

- High quality blued steel for longer life and easier pulling.
- High impact case and handle.
- Fish tape unwinds and rewinds easily.
- Laser etched in 12 in. increments to provide instant conduit length

Mfg Part#
FTS1/8-240

SOUTHWIRE

Cable Pulling
1/8" 125' Flat Steel Fish Tape

Our 1/8"-wide tempered spring steel fish tapes provide excellent fishing performance. The rugged case is impact resistant and jobsite tough.

- High quality blued steel for longer life and easier pulling.
- High impact case and handle.
- Fish tape unwinds and rewinds easily.
- Laser etched in 12 in. increments to provide instant conduit length

Mfg Part#
FTS1/8-125

SOUTHWIRE

Cable Pulling
SIMPULL Fish Tape
4.5mm 75' Flexible Metal
Leader, Large Case

Spiral extruded polymer design reduces the amount of effort required to push or pull the fish tape through EMT or PVC conduit

- Swiveling flexible metal leader easily glides through bends
- Faster Installs
- Break and Kink Resistant
- Material will not rust

Mfg Part#
